## **Teacher Award Committee Recommendation Report**

**June 10th, 2019**

**Committee Members: Cendra Beaton (Chair), Andrea Calder, & Greer Cummings**

### **Applications Received and Reviewed**

One candidate completed the application process in time for the deadline of May 31st, 2019. The committee vetted the candidate according to the requirements for qualification of the award and the CPF BC & Yukon's evaluation criteria.

### **Award Process Review**

The Award Committee considered the strengths and weaknesses of the applicant as well as ensuring the submitted documents satisfied the application requirements. The applicant satisfied the eligibility criteria, as well as demonstrating experience, engagement in fostering bilingualism, and strong potential with respect to progressive future in local education based on academic accomplishments, volunteer service and in practical teaching positions.

### **Recommendations:**

1. the 2019 Award of \$2,000 be presented to **Jamayca Whalen**, to be announced at the 2019 CPF BC & Yukon AGM in Kelowna, BC.
2. we suggest to consider offering funds to provide a gift card or plaque to their local chapter, should the recipient not be able to attend the AGM. This would be to recognize the award winner.
3. we suggest celebrating the award recipient on the CPF social media sources and directly announcing to her school advisor, in addition to the regular outlined process.

Respectfully submitted,

Cendra Beaton  
Chair, CPF BC & Yukon Teacher Award Committee
